We are excited that you are interested in using our beautiful space to host your event. We can accommodate small groups during the business hours of our Eatery. We can also accommodate much larger and more private events in the evenings and weekends. All food and non-alcoholic beverages must be purchased from 67 Biltmore. We do require service staff for after hours events in our space. You will have access to the entire eatery area. Staffing will be organized according to the specific needs of your event. Food and beverage costs will vary according to your menu choices. We are happy to coordinate the right foods for your event. There is also an \$8 per person charge which includes all china, silver, glassware and linen napkins. If you'd like tablecloths, different tables, different chairs, or flowers we are happy to provide them at an additional cost.

We must provide a bartender if any alcohol is served. This goes for beer, wine and/or liquor.

We cannot provide alcohol but you are welcome to bring in your own. A permit is not needed for beer and/or wine. Our fine friends and neighbors at the Asheville Wine Market are happy to help you pick out delicious selections that work with your menu.

If you would like mixed liquor drinks, you can provide the liquor and we will provide the mixers. For events with liquor, you will need to complete and submit a Special Events Permit application to the NCABC. We need the permit 48 hours before the event. Please note that the permit application process takes 14-30 days. If we do not have a copy of the permit prior to the event then we cannot serve liquor.
